TECHNICAL RIDER

BEYER / FLINN (duo)

Line-up:
- Kriton Beyer – daxophone, effects
- Stephen Flinn – percussion

Requirements:
- 2 drum thrones
- 1 power outlet near the daxophone position

If a venue PA system is available:
- Stereo PA system
- Mixing console
- 2 condenser microphones for percussion

Kriton Beyer provides his own Fishman Loudbox Artist amplifier. A balanced D.I. output is available for connection to the venue mixer/PA.

The musicians perform seated at a slight angle facing one another.
